Public Works Department,
Belgaum, 30th December 1943.

Subject:- Establishment. Work-charged - Conversion of - into permanent and temporary.

Reference: Government Resolution No.3480/36, dated the 15th November 1940.

2. In Statement No.1 accompanying the above Government Resolution three different scales of pay have been sanctioned for Karkuns according as they are Divisional, Sub-Divisional or Sectional but the number of posts in each scale have not been specified.

3. It is presumed that the Divisional scale is to be granted to Karkuns attached to Divisional offices while the Sub-Divisional scale is to be granted to those attached to Sub-Divisional offices. The presumption may kindly be confirmed so as to enable this office to fix the number of posts in each scale and to attach the Karkuns to the respective offices to work there, as at present

all the Barkuns in this Circle are only sectional in charge of Sections and none are attached to offices.

No.G-40.

Public Works Department,
Belgaum, ~~2nd~~ 4th May 1944.

Subject:-Surveyors made permanent - Amalgamation of - in the Subordinate Service of Engineers.

In Statement I accompanying Government Resolution No. 3486/36, dated the 19th November 1943, 9 posts of Surveyors on the Work-Charged Establishment of this Circle have been made permanent, the scale sanctioned being Rs. 54-4-90 E.B.-4-130 E.B.-5-150 - 175 (Selection grade) which is the same as that applicable to Overseers in the Subordinate Service of Engineers.

2. While filling five of these posts of Surveyors, the following Graduate and Diploma Holders in Civil Engineering then working as Temporary Overseers have been selected for permanency as under the orders issued in Government Letter No.4126/36-E, dated the 3rd January 1944 non-qualified and practical Subordinates are not eligible for permanent appointments:-

(1) Mr. B. L. Patted, D. C. E.
(2) " D. G. Saraf, D.C.E.
(3) " S. V. Sathe, D. C. E.,
(4) " V. E. Kulkarni, B.E.,
(5) " Y. M. Garde, D.C.E.,

3. They have accepted the Surveyor's post on condition that they be merged into the cadre of the Subordinate Service of Engineers. Their request seems to be reasonable in that the duties of an Overseer and those of a Surveyor are practically the same except that a Surveyor has been so far, exclusively employed on survey work while the Overseer undertakes such work at times in addition to his sectional charge.

4. Since Surveyors and Overseers are included in the same scale of pay, their educational qualifications and duties being very nearly the same, it is suggested that the Surveyors absorbed into the Subordinate Service of Engineers, in order that Executive Engineers can depute for survey such of the Subordinates as are suitable for such work.

5. It is, therefore, requested that Government may, in your concurrence, kindly be moved to accord sanction to such absorption & the cadre of Overseers for this Circle, may be fixed at 76 as detailed below:-

(i) Original cadre of Bombay Subordinate Engineering Service (now termed as Subordinate Service of Engineers) vide statement A accompanying G.M. No.4158/36-E, dated the 13th September 1941 ... 65

Add

(ii) Temporary posts of Overseers converted into permanent pensionable vide statement I accompanying G.R.No. 3260/36, dated the 19th November 1943 ... 5

(iii) Work-Charged posts of Surveyors converted into permanent pensionable ... 9

(iv) Overseers in the Mahad Sub-Division transferred to the Northern Circle in October 1943 under G.R.No.6501/36, dated the 20th August 1943 ... 2

The work-charged estabt.made permanent by G.R No.3486/36,dated the 19-11-43 includes the posts of Surveyors. The S.E.,S.C. has proposed that the permanent posts of Surveyors may be included in the cadre of the S.S.E., as the qualifications required and the pay-scales sanctioned for both Overseers and Surveyors are the same. The proposal is already being approved separately in con.with the revised pay-scale for the S.S.E.and the increase in the cadre of that service. The sanctioned cadre strength of the S.S.E.in each Circle is being increased by 25 p.c. and includes the tempy.and work-charged posts of Over seers and Surveyors made permanent by G.Rs.No.3260/36,dated the 19-11-43 and No.3486/36,dated the 19-11-43. The case is being treated urgently and is being referred to the F.D.before submission to Govt. The draft Reso. put up on the case will then be issued covering the proposal mentioned above . No separate orders are therefore necessary on this letter.

2. As regards para 2 of the S.E's letter,the orders in G.L.No.4126/36-E,dated the 3-1-44 banning the appointment as permanent subordinates of tempy.and work-charged men not possessing the prescribed engineering qualifications are being cancelled separately,as experienced men are eligible for such permanent appointments under the rules,even though they do not possess the prescribed qualifications.
